Despatch 18th m

Col Capt. of Nagar

In reply to your letter No 11 of the 4th Dec 71, soliciting orders on certain doubtful points in the rules prescribed for the guidance of Asst Capt. in charge of subdivisions, as pubd in Notfn. No 215 of the 10 Sept. 1871. I am directed by the Commr. to convey the following Obs^{ns}:

- LR**
U-7
- i. With regard to the 1st point Col Meade considers that Clause C of para 2, which sh^d be strictly adhered to, is perfectly clear, as pubd, viz that the Asst Capt. is not authorized to make any remissions without the special authority, in each case, of the Asst Capt., but he can recommend such remissions for sanction.
 - ii. As to the 2nd point - That ~~no change is necessary~~ the Clause (3) as it stands is precise and clear and should simply be acted up to.
 - iii. And with ref^{er} to the 3rd point - That no change is for the present necessary in Para 3, but if hereafter it should be found requisite to modify it, the point might be submitted for consideration.

2 Col Meade sees no reason for altering the orders contained in this Office letter No 892 of the 17 May 1871, but I can add, that although no change will be made for the present in the rules under advertisement, the Chief Commr. will, after they have had a fair

trial of, at least, one year, he
prepared to consider any
amendments that may then
be deemed desirable.

The Secretary to the Chief
Commissioner of Mysore

Sir,

With reference to para 1 of your
letter no 228 dated the 16th April last;
8. 5
I have the honor to state that the ex-
pression "doubtful points" in this Of-
fice letter no 11 dated 4th April 1872 was
misleading the clauses being very clear
and distinct. The reference having
originally proceeded from myself while
Deputy Superintendent. I am enabled to
say I had no doubt as to the meaning
of the clauses, but clause C. of para 2
being in my opinion likely to prove
embarrassing in practice. I pointed
this out and requested the Superintendent's
instructions and further stated that
to conform as far as possible with the

Chief Commissioner's Orders, I should direct the Assistants not to remit land assessment without submitting the matter for my consideration and orders. All other remissions made by the Assistants not being required to be sent up for sanction.

The Rules have not been in force yet for one year, but so far as clause C of para 2 is concerned its yearly trial is over and so I trust I may be excused for resubmitting the subject for the Chief Commissioner's reconsideration in reply to your letter above quoted.

What I wish to point out is this the principal duty of the Officer conducting Jumabundy is to remit the land and other assessment requiring remission no civil having power to remit a single pie to any one. Under these circumstances

if no power of remission ^{is} is to be given
an Assistant he is virtually debarred
from doing judiciously. The main
remissions are with regard to assessed
taxes and to this extent I consider
there can be no harm in empower-
ing Assistants to grant remissions.
Remissions for land assessment
to be made by Deputy Superintendents
alone.

I have the honor to be
Sir,

Your most obedient servant.

W. J. Cunningham Esq.

Sir,

I have the honor to acknowledge receipt of your letter N^o $\frac{1150}{45}$ of 7th Instant, calling for my opinion on the proposal of the offg: Superintendent, Nagur Division, with reference to extending, to sub-divisional officers, the power of granting remissions during their Annual Jamabundy in the case of all items with the exception of land & Revenue.

In reply, I have the honor to state for the Chief Commissioner's information that the plan suggested by Colonel Elliot has met with the general approval of the Deputy Superintendents, and I am myself of opinion that sub-divisional officers should be given the powers referred to, as it would be doing away with half
them

their usefulness as Jamabundy of
pieces, to withhold them.

2. A précis of the Deputy Superintendents' opinions on the subject, shewing also the powers exercised by the Assistants in this respect in the three Districts previous to the appointment of Sub-Divisional Officers is appended for the Chief Commissioner's information.

I have the honor to be
